APHA news

Call the association any time, they are very helpful. It is their goal in life to help members.

Stay focused on what members are bound by, paint horses and goodness of the heart.
Work hard and have fun.

APHA – World show is now split. Young horse world show moved to fall so they don't have to compete so early. Sale has been added to fall World Show. Novice Youth classes added to World Show. World show youth games added.

Youth are the future. The more invested in the youth the better the club.

New APHA Incentives

New registration incentive added. Information attached to meeting minutes and APHA web site. Gelding incentives added. Money given to the zone to award to geldings.

New Zone show awards added bronze statues provided by APHA.

A new APHA task force has been developed to assist regional clubs succeed. The task force has been developed to get regional clubs input before making changes. A new packet with a DVD is available to assist clubs to recruit new members, etc.

Successful clubs diversify to things more than just shows. Trail rides can be included as activities to keep charter. Publishing e-news letter for club leaders. Promoting a play day with horseless activities. Can be a fund raiser, etc. APHA is about members having fun and enjoying their horses with other members.

Meeting Minutes from March Meeting

Meeting minutes read and approved with correction.

Joy is presenting scribe packets on April 27th at 4:00p.m., Salmon Creek Burgerville.

Need scribes for trail, western riding, and reining.

Financials

March balance \$3715.00 with additional money collected for stalls that is not deposited yet.

Show committee report

Volunteers still needed.

Volunteer signup is setup by specific times and days so members can plan their volunteer times. **Very Important:** Volunteers will need to sign in and out at show to be recorded as helping.

Premiums mailed before the end of March but 80 have come back. Lots of postage and printed material was wasted. Bad labels need to go back to Ami to be corrected.

Bulk shavings will be order just before the show so we have a better idea how much we will need.

No late fee on stalls. We are paying a little more so we raised the price but no late fee. "Mother May I" class added. Teresa Pelton was asked to be judge. It will be a judges command with flowers and candy for prizes.

Coolers are ordered and back for show prizes. We did get 10% off.

Sponsor Committee

We need more sponsors. Sponsor doesn't need to be horse related. Sponsorship forms are available on the web site. Edi is sponsoring three classes.

NWCC Correspondence

Excited about zone show move. NWCC has not been paid for our directory add. Tina will look at this. Will delegates be reimbursed? Tabled until next meeting for board member discussion.

Zone Correspondence

Jerry Stone – Asked club members about splitting Amateur class. Email was sent to all valid member email addresses for input. Six classes proposed for Amateur split; Amateur 19-44. Showmanship, Western Pleasure, Horsemanship, HUS, Trail, English Eq.

Member response was to split. Information was passed on to Zone. Most clubs have also asked for the split. Will not cost Zone to split.

Halter moved to Tuesday at Zone show.

Exhibitors going for an All Around award will be required to show halter. Since halter moved to Tuesday everyone going for all around will have to show halter.
