

SOUTHWEST WASHINGTON PAINT HORSE CLUB

... ain't nothing going to break our stride

Class Sponsorship

Dear Equine Partner:

The Southwest Washington Paint Horse Club (SWWPHC) is an award winning Regional Club of the American Paint Horse Association (APHA). This breed group represents approximately 900,000 horses in the US and around the world. Here in Washington and Oregon, we have over 20,990-registered Paint Horse owners. The American Paint Horse is one of the fastest growing breed organizations in the US! Your potential Oregon and Washington customers are spending approximately \$72 million each year caring for their American Paint horses.

Each year, Southwest Washington Paint Horse Club conducts a Paint-O-Rama (POR) show in May with over 500 horses representing the entire northwest. Your sponsorship of this show will bring high rewards to your business.

Your help in promoting the development of the American Paint Horse industry is very much appreciated. There are many opportunities for sponsorship including monetary donations or goods and services.

Each month, members and horse enthusiasts visit our heavily traveled website to find show dates, class schedules, register for shows and track their performance points. The SWWPHC website can be found at <http://swwphc.org>. See the new page recognizing our SWWPHC sponsors!

We look forward to your continued or new support of the Paint Horse Industry.

Regards,

Tim Zoltz
